Baby, we both just sittin' here  
We need to get somewhere private  
Just you and me, listen

It's the middle of the night  
And we're both just sittin' here  
I'm checking out your body  
The hot shorts and tanks you wear  
Make me wanna do something freaky to you my baby  
Gotta let me know something  
Cuz I need to know right here

We need to get somewhere (Yeah)  
We can be alone (Alone)  
Somebody's at my crib (That's right)  
And you got folks at home  
So can we, get up on a

[1] - Can we get up on a room  
(Get up on a room)  
Baby just me and you  
(Baby me and you)  
I'll go there on you  
(I'll go there on you)  
If we get up on this room  
(On a room)

Bubble bath, you and me chillin' in a tub babe  
I'm gonna wash your body babe  
And you're gonna wash my body babe  
(Gonna wash my body)  
All I wanna do is drive you crazy  
(Yeah, baby, drive you crazy)  
Can we

[Repeat 1]

Baby, ooh  
Break it down, break it down  
Break it down, break it down  
Break it down  
Break it down, break it down

Break it down, break it down  
Break it down

Throw your underwear on the wall  
Whose the greatest lover of them all?  
Who makes your love come down like waterfalls?  
I thought you knew, come on baby, let's do this

[Repeat 1]

You and me chillin' on the 55th floor  
Right before we bump we put the sign outside the door  
The more we going up and down the more we wanting  
more  
It's getting hot in this car so what the hell we waiting for  
Can we, can we get up on  
Can we get up on a room

[Repeat 1]

You don't have to go far to get a piece of me  
You wait in the car while I go get the keys  
Double lock the door for complete privacy  
No room service baby cuz you will be the feast, can we  
We'll cuddle up with each other babe, yes we will  
And I'll go there on this chair

Yoodle-eh-e-oooh

[Repeat 1 until fade]
