Where da homies at?
Where da girls at?
Can you get wit' that?
R. Kelly n Twista

I can tell just by lookin' at yo body
When you walk up in the club, girl
That you got good sex
Even though I haven't test it
Best believe that I can trust it
When I look at you
That you got good sex
And I'm tryin' to see what's dat like
When we leave this club tonight
'Cuz girl, I can tell
That you got that good sex
So put yo hands up
Ladies, put yo hands up
If you got that good sex

Ooh, my goodness sex at first sight girl
When I look at you walkin' and talkin'
While you struttin' that thang across the room
Shit, you almost made me spill my drink all over me,
girl

Where you get that booty girl?
I wanna smack, smack flip it up
Jump on me like double dutch
Baby, give yo hand to me
Let's get down on 23's

And I'll be windin' it slow
While yo juices flow
(Whoa, whoa)

Baby girl, please believe

That can't nobody please yo body
Like my body can please yo body
And girl, I can back it up

Just give me a chance to sex it up
(Oh)
On yo knees in dat
(Rolls)

While I'm hittin' it
(Slow)
Girl, I'm puttin' on a
(Show)

Then right after sex we can spend the night together
Wake up and be like whatever
It doesn't matter to me
As long as you're chillin' wit me

Say, I'm gonna make your body go
(Eek, eek, eek, eek, eek)
Girl, I promise to make yo body go
(Eek, eek, eek, eek, eek)

Girl, you don't have to take off no clothes
It's a shame u look so good
That I wanna hit it wit yo clothes on

Now when it come to cuttin'
Can't nobody fade, dawg
Come n get wit the twist
I'm a made star wit one grip of the wrist
Like Ray Charles, I know she thick

And the dick gon' stay hard
I ain't gotta say I fucked her
I can just straight out fuck her
I can use my mind when I touch her
Pretty skin wit' yo look right structure

The only difference between us
Is you on the dance floor and I'm the on tip
But we both be grindin'

I know that you good up in the bed
When they bumpin' Reggae music
N yo waist be windin'

I love it how you make yo booty move
When the DJ go
(Er, er, er, er)

I'm love it when we get up in the bed
N the headboard go
(Er, er, er, er)

Girl, I wanna hit it wit' yo clothes on
Baby, you don't have to take them boy shorts off
Let me tell you why

'Cuz I got my hand on yo shoulders
'Bout to move a lil' things over
'Bout to kiss you down yo back
Then after that I'm gonna cling on ya

(Muah, muah, muah, muah)
Gonna kiss yo body, kiss yo body, girl
(Muah, muah, muah, muah)
Let's get up out of this party, girl

When you drop it, stop it, roll it, pop it
Make it jerk n wind it, work it
Then, baby, girl I already know

I can tell just by lookin' at yo body
When you walk up in the club, girl
That you got good sex
Even though I haven't test it
Best believe that I can trust it
When I look at you
That you got good sex
And I'm tryin' to see what's dat like
When we leave this club tonight
'Cuz girl, I can tell
That you got that good sex
So put yo hands up
Ladies, put yo hands up
If you got that good sex

I can tell just by lookin' at yo body
When you walk up in the club, girl
That you got good sex
Even though I haven't test it
Best believe that I can trust it
When I look at you
That you got good sex
And I'm tryin' to see what's dat like
When we leave this club tonight
'Cuz girl, I can tell
That you got that good sex
So put yo hands up
Ladies, put yo hands up

If you got that good sex

I can tell just by lookin' at yo body
When you walk up in the club, girl
That you got good sex
Even though I haven't test it
Best believe that I can trust it
