Now tell me what do you do  
When you feel so confuse about your life  
Struggles they go up  
And tears they go down  
Like .. your life  
It's like me versus her  
And her versus me  
Suicide  
Are you any fools and find  
Nobody be back on  
Every party every ..  
Man it's like the hardest â€¦

Chorus  
These are hard times  
When it feel like you're through  
These are hard times  
Let your heart loose  
These are hard times  
It's me versus her  
And she versus me  
These are hard times  
And I can't breath

Why we're drawing battle lines?  
I.. â€¦I said  
Causalities of the war  
.. over kids  
Doing what you can just to hurt my heart  
And we'll do the same  
So many nights spending crying  
And I'll do the same

Chorus

Who's gonna be the one?  
To threat the a .. lost  
Who's gonna be the one?  
To make this empty .. conceive  
Who's gonna be the one?  
All this pain in here

Who's gonna be the one?  
If there is no joy in here

Chorus

I'm so sick and tired to fight  
Going up and then fall down  
Spend a minute is trying to ..  
And a lifetime of crime  
My heels on top of heels  
No I'm not from the field  
Yes I am  
Help me
