Heart of a Woman

This song is dedicated to all of the ladies
From all of the men, ya know what I mean?
Simply because yall go through so much
And we want you to know that we recognise that

There are
So many answers to the question what yall do for us
And so many reasons for the word why we love on yall
For instance how you just take us and lift us up
Give us chance after chance and we still find a way to F
things up
And sometimes yall go and blame yourself for the
things we do
Cuz you love us so much our lies become the truth
Yall try so, so hard to make things work
Findin a way to smile just to keep from showin youre
hurtin

Its (your mind versus) its (your heart versus)
Its (your soul versus) your (your body)
Versus (our bullshit) and (our egos) and (our pride)
Thats why
(Thats why I love the word woman)
(Oh I love I love)
Yall are so tough, yall put up with so much
(Thats why I love the word woman)
(Oh I love I love)
And yall so full of trust, and besides yall know us
(Thats why I love the word woman) yes sir
Time and time again yall let us back in
Man I love yall so much I gotta spell it out
(W-O-M-A-N)

Thats what its all about yeah
Sometimes I think that were the reason
Why yall be stressin out and smokin cigarettes
Mmm yes I do
And sometimes I think were the reasons yall be snappin
off on your kids

And havin fits
Somebody feel me
Ladies when its that time of the month and yall really
dont feel like being bothered
And sometimes we take your hearts for granted
I know yall gotta ask your selves sometimes why do I
even put up with it

Its (your mind versus) its your (your heart versus)
Its your (your soul versus) its your (your body)
Versus our
