Chorus:

You bring me joy
Night and day
Girl you and me should getaway
I got a special hideaway
Where you and me can be alone

Verse 1:

Oooo, baby this love making is so good that I can't
picture myself with no one else
And girl God is good because he put you here just for
myself

The way to walk and dress, your smile, your grace and
sex
Tonight nothing's gonna come between us but sex

Chorus:

You bring me joy
Night and day
Girl you and me should getaway
I got a special hideaway
Where you and me can be alone
Imagine you and me naked

Bridge:

Like a mountain

Girl I'm gonna climb all on top of you

Like a river
I'm gonna be flowing all over you girl

And like a horsey
I'm gonna saddle up a ride you girl

Like a something
Something again

And our bodies shiver
Oooooo

Heaven must have sent your love to me
Cause when I look at you heaven is all I see

Chorus
