Yeah come inside
Now turn the lights down
Don't be scared, touch me
I know what you want and uh
Tonight is your night
For the rest of your life
So just lay back and relax and listen

There's something in your eyes baby
It's telling me you want me baby
Tonight is your night
See you don't have to ask for nothin'
I'll give you everything you need
So girl don't be shy, oh just

Baby come inside
Oh turn down the lights
'Cause' there is something
That I want from you right now

Give me that honey love
(Give me that honey love)
Give me that honey love
(I gotta have your lovin' baby)
Give me that honey love
(Oh give me that sweet, sweet love)
Give me that honey love

Let's go to the mall baby
I'll pick you up around noon lady
Don't you worry bout' a thing
'Cause' I've got all the answers girl
To the questions in your head
And I'm gonna be right there for you baby

Baby come inside
Girl why don't you turn down the lights
'Cause' there is something
That I want from you right now

Give me that honey love
(Hey give it to me)

Give that honey love
(See I gotta have your honey love baby,slow)
Give me that honey love
(Give me that sweet, sweet love hey)
Give me that honey love

Baby come inside
Turn down the light
'Cause' there is something
That I want from you right now

Give me that honey love

And you're body's like a lemon drop sure tastes good

So let's lay down and get close till we become one
And I promise you baby we gonna have fun all night

(Right now give me that honey love)
Give me that honey love

Give me that honey love
(I'm here to satisfy you baby)
(And it's good to know that you are my lady)
