You could take her striaght home to mama  
Even to meet ya pastor

Damn you lucky bastard

If she got friend homie  
Tell ya girl to hook it up  
If she got a cousin homie  
Tell ya girl to hook it up

If she look like her act like her  
Call her let me hook it up

If she sexy like that  
Tell ya girl to hook it up  
Sweet and she don't talk back  
Tell ya girl to hook it up  
If she looking for that real love  
Tell ya girl to hook it up  
If she look like her act like her  
Call her let me hook it up

*[Huey]*

Kells I see you pimping in the club wit the baddest chick

If she gotta partner tell her she should get wit this  
A well known money maker H-U-E-Y  
If you u need a man to give you real love  
You know that the nigga be I  
The type that will take her out the hood  
Make sure her hair and her nails look good  
A 500 hundred Benz you could grip a little wood  
If you were my girl I would do what I could

As long as she understand it's 50  
You do for me I do for you  
You shoot for me I shoot for you  
You b sweet to me then i'm sweet to you  
You may think lying but it the truth  
Cuz I aint gotta lie to kick it  
It's easy for me to be pimping  
But imma make you my mistress  
To avoid your life looking ruff  
Head and attitude all messed up  
All you gotta do is holler at kells  
And tell him gone hook it up

*[Chorus]*

If she got a friend homie  
Tell ya girl to hook it up  
If she gotta cousin homie  
Tell ya girl to hook it up  
Is she gotta sister homie  
Tell ya girl to hook it up  
If she look like her act like her  
Caller her let me hook it up

If she sexy like that  
Tell ya girl to hook it up  
Sweet and she don't talk back  
Tell ya girl hook it up  
If she's looking for that real love  
Tell ya girl to hook it up  
If she look like her act like her act like her  
Call her let me hook it up

If she like real playas  
Don't fuck with no haters  
Wanna get with a real baller  
That making that real paper  
If she wants good life, shop, hop out fancy cars  
Award shows party mingle with the stars  
Long as she understands that  
That I am her blinding man  
When comes to selling out  
She's my sold out crowd  
And if she's not the type that got a lot of girlfriends  
Tell her girlfriend to holler at her future boyfriends  
Hook it up

*[Chorus]*

If she got a friend homie  
Tell ya girl to hook it up  
If she gotta cousin homie  
Tell ya girl to hook it up

Is she gotta sister homie  
Tell ya girl to hook it up  
If she look like her act like her  
Call her let me hook it up

If she sexy like that  
Tell ya girl to hook it up  
Sweet and she don't talk back  
Tell ya girl hook it up  
If she's looking for that real love  
Tell ya girl to hook it up  
If she look like her act like her  
Call her let me hook it up
