Ooh mmm, ooh yeah
Ooh mmm mmm mmm mmm
Ooh mmm, ooh uhh
Ooh uh uh uh uh

You made the sun
You made the moon
Gave seasons change

You made the clouds
You put the rainbow
After the rain

Created time
Now which one's mine
Gave pictures frames

Created man
Gave him woman
Why did You do that for me?

These are the questions asked
Before I lay me down and go to sleep
Sometimes I wonder why you decided
To keep Your hands on me

Of all the miracles, signs and wonders
There's still one mystery
How did You manage to love me?

You breathe the life
Right into me
Then made my heart beat

Created the mountains
All of the deep seas
Flowers and the trees

You made tomorrow
Come again
You calm the strong winds

After all I've done
You gave me a son
Tell me why would You do that for me?

These are the questions asked
Before I lay me down and go to sleep
Sometimes I wonder why You decided
To keep Your hands on me

Of all the miracles, signs and wonders
There's still one mystery
How did You manage to love me?
How did You manage to love me?

Said, "I've got to know how"
After all the wrong I've done, oh Lord, how?
After I've been so bad, oh Lord, how?
Even when I didn't believe in me, you believed in me
Lord, how?

Jesus, You sacrificed Your great life for me
Ooh Lord, tell me
Ooh, You, oh why?
