Title: How Do I Tell Her

Artist: R. Kelly

Album: Love Letter

How do I tell her that I'm goin away
When I know that she'll be begging me to stay
And how do I tell her, that the time has come to part
When she's.. she's gonna take it so hard

I don't wanna break her heart
I don't wanna see her cry no
Cause I promised her forever
that I'd be by her side so

How do I tell her, How do I tell her tell her tell her
goodbye... (oh yeah)

How do I tell her, that my path has gone and changed
When I know that her heart won't be able to stand the
pain
(oh no)

And How do I tell her that I'm movig on with my life
When she's just gonna break down and die

I don't wanna break her heart no
I don't wanna see her cry no
When I promised the girl forever
I'd be by her side so
So how do I tell her tell her tell her
goodbye... (oh yeah) whoa

Listen, she's been forever faithful, honest, and true
yes she has
My God this has gotta be the worst thing that I ever had
to do
How How How How How How

How do I tell her,(oh oh) that the time has come to part
When I know that she's gonna take it so very hard (yes
she is)

I don't wanna break her heart
I don't wanna see the little girl cry
When I promised her forever (oh oh)
That I'd be by her side

How do I tell her tell her tell her
goodbye bye bye oh baby bye and oowhoo

How How do I tell her (How do I tell her)
How do I tell her good bye baby
Won't somebody tell me
How do I tell the girl

Bye bye baby
(8x fade.....)
