It's Saturday, I'm ready to go out and have some fun  
Get in the club around 'bout twelvish  
Me my homies hoochie huntin'  
Lovin' the way the DJ's mixin'  
And everybody's on the floor

Every day, every night  
Humpin' and bouncin' is all I wanna do  
Every day, every night  
Humpin' and bouncin' is all I wanna do

Hey, what'cha doin'?  
Chillin', strokin' the town  
Sure you don't wanna come over here?  
Nah, I ain't comin' over there, man  
What you mean you ain't comin' over here?  
'Cause you don't be talkin' about doing shit  
Who you wit?  
Don't worry about who I'm wit  
See, that's why I don't call you

It's time to be havin' a good time tonight  
Music got you in the mood, you'll be dancin' all night  
Lovin' the way the DJ's mixin'  
And when everybody's on the floor

Every day, every night  
Humpin' and bouncin' is all I wanna do  
Every day, every night  
Humpin' and bouncin' is all I wanna do

I know you're here to party  
Everybody work it out  
Leave all your troubles behind  
Let me see you hump and bounce

Every day, every night  
Humpin' and bouncin' is all I wanna do  
Every day, every night

Help me find a way to that spot tonight  
Kelly, won't you help me find a way?

I can help you find a way

Every day, every night  
Humpin' and bouncin' is all I wanna do  
Every day, every night  
Humpin' and bouncin' is all I wanna do

Every day, every night  
Humpin' and bouncin' is all I wanna do  
Every day, every night  
Humpin' and bouncin' is all I wanna do

Every day, every night  
Humpin' and bouncin' is all I wanna do  
Every day, every night  
Humpin' and bouncin' is all I wanna do
