I Believe lyrics By R. KELLY

BARACK OBAMA:

In small towns and big cities

We came together

As democrats, republicans, and independents

To stand up and say that we are

ONE NATION, we are ONE PEOPLE

And our time for changed has COME..

R. KELLY:

When the mountain seems too high

And you don't have the courage nor the strength to
climb

And the road you're on won't end

But still you run though you cannot see the finish line

And dark clouds are over you

Your skies no longer blue

But you marched on straight ahead

Somehow you made it through

Got to the mountain peek

They left a path of me

Your victory made history and now

CHORUS:

I believe, I believe, I believe

Oh, I believe, I believe, I believe

Oh, I believe, I believe, I believe

Oh, I believe, I believe, I believe

Oh I

When it felt like you were weak

And couldn't fight no more

On the ropes and it seemed like

You was gonna run out of breathe

When the world was on your shoulder

And the walls were in your way

You leaped and made it over

Through it all you kept the faith

With hope you set us free

You showed us how to dream
And now we can lift our voices
And forever sing

Now's the time to look ahead
And thank our hero's of the past
And celebrate this history
Let's raise the flag cause

CHORUS:

I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh I

BRIDGE:

And when they tried to keep you down
You kept up your head
Never losing sight
You believed in what was right

You endured to the end
Walked through the strongest wind
The storm's over
And a new day begins

And when our hope was dying
You brought us healing
And now I got something
To tell my children

CHORUS:

I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh I
