I Can't Sleep Baby (If I)

R. Kelly

Album: R. Kelly

Where did it go, my baby, where did it go, my darling  
Tell me how to get you back in my heart again

Girl I must have been crazy, to say that it was over  
I had to be a fool, to yell out we were through  
And now I'm all lonely and feeling down and out, baby  
When I never meant for this to end  
It was so, so crazy of me  
Sometimes a man can say things that he really don't  
mean  
Well I'm sorry baby, bring your lovin' back to me

I can't sleep babe, I can't think babe  
I can't live babe, without you in my life  
I can't go on babe, this is my song baby  
Don't wanna do nothin' if I go away baby  
And I can't do nothin' if you're not around, baby

Can we meet somewhere and talk about it  
Oh, baby, can we work it out  
I'm not going to let you go, my baby  
Before I let you know that I

I can't sleep babe no way, I can't think babe  
I can't live babe, without you in my life  
Don't want to go on babe, this is my song baby  
I Don't wanna do nothin' if I...I can't be with you, baby  
I can't sleep babe, I can't sleep, I can't think babe  
I don't think that I can ever live...

Just the thought of you being gone  
Keeps me up all night long, oh-oh

I don't think that I could ever live  
I can't live babe, there's just no way that I...  
Oh, oh, oh, oh...babe  
Can't gone on, this is my song
