### Verse 1

Man I walk up in the club  
and there she is  
sittin with her man, lookin at me  
so i walk to the bar and buy me a drink  
and then i look over my shoulder  
shes still lookin at me  
so i walk through the club, actin like i dont see her  
u know keepin it cool n shit, when i really wanna meet  
her

and she bite her lips like she aint just (??)  
so i post it up like i'm patient  
waitin for her man to go to the bathroom  
and then we catch a break  
cause dude steps away  
and thats all i need for me to make my move

### Chorus

Said i know u got a man but i dont care  
cause u lookin at me girl like "i dont care"  
and just so he dont be mad  
gotta stay two steps ahead  
take my number call me text me whatever  
I dont care

### Verse 2

Now here he comes on his way back from the bathroom  
Shh.. we gotta keep this between me and u  
now im gonna walk away cause hes movin kinda fast  
and if he asks about me babe  
then im a friend from your past  
(??) while we'll be sexin undercover  
see i just wanna be your secret lover  
so chill with him tonight babygirl im leavin  
u just hit me up and we'll be often here next weekend  
believe me believe me , I wanna hit that  
believe me believe me , Baby real rap

Chorus

Said i know u got a man but i dont care  
cause u lookin at me girl like "i dont care"  
and just so he dont be mad

gotta stay two steps ahead  
take my number call me text me whatever  
I dont care

Verse 3

Now some may say thats a shame  
but im playin the game  
either dude is a lame  
oh shorty know my name  
and its very easy to see  
shorty wanna be with me  
(??) while hes buyin her drinks  
i'll be buyin her minks

Chorus

Said i know u got a man but i dont care  
cause u lookin at me girl like "i dont care"  
and just so he dont be mad  
gotta stay two steps ahead  
take my number call me text me whatever  
I dont care

- - - -

Im lookin at her  
she lookin back  
she with her man; forget that  
I gotta have her like my money stack  
I gotta ride her like my cadillac  
(?dont really get the sentence right here?)  
Download for music, I download your girl

Chorus

Said i know u got a man but i dont care  
cause u lookin at me girl like "i dont care"  
and just so he dont be mad  
gotta stay two steps ahead  
take my number call me text me whatever  
I dont care
