Chorus

I know what You Need I know baby. Oohx4

Verse One

Baby, take my hand. I know
what you need. I wanna be your man,
come on come on come on follow me.

Chorus

Verse Two

So say ya never been in love.
Hear is your chance. I wanna be
the one you're always thinking of,

so come on come on girl and follow me

Chorus

Verse Three

You need a man who'll be
patient or not cool the public
arrest you or lovely respect you.
But who you are no what you was or
will be, and the harder ya ever beaten
for you would kill me.
Never would've fall off ways for you
calling me your real best
