I quit you, no more, baby, no more
I quit you, you're driving me crazy
I quit you, madly you go boy so bye, bye
I quit you, cause you hurt me
But no more boy, so why
Out of all the changes we've been through
I got feelings for you
But I can't take this no more
It's such a shame we have to go our separate ways
Just to show you I'm not the one you just can't play
I feel for you
Wanna be there for you
But baby boy I gotta keep it real with you
So I can not just let you run over me so
I quit you, no more, baby, no more
I quit you, you're driving me crazy
I quit you, madly you go boy so bye, bye
I quit you, cause you hurt me
But no more boy, so why
Nothing can compare to the love that we once shared
There was love on, up until
You went and changed on me
And everybody knew that you were playing me
Oh yeah, love was so good that I was blind
I feel for you
Wanna be there for you
But baby boy I gotta keep it real with you
And I can not let you just run over me, so
I quit you, no more, baby, no more
I quit you, you're driving me crazy
I quit you, madly you go boy so bye, bye
I quit you, cause you hurt me
But no more boy, so why
I'm about to change the lock
Girl I
So you can't get to my heart
And I'll throw away the key
So you can't get in to me
Got my mind on another place
I can find someone who understands
To get myself another man, cause you ain't right boy
I quit you, no more, baby, no more

I quit you, you're driving me crazy
I quit you, yes I do
You hurt me for the last time
I quit you, oh boy, playing these games with my mind
I quit you. oh yeah
I quit you, I quit you yes I do
I quit you
I quit you
Yeah
I quit you
Means no more kisses, no more huggin', no more lovin'
