I Wonder

[Intro: Ja Rule (R. Kelly)]

(oooh)

Yeah, you know

(oh, oh-oh-ooohh)

I wonder sumtimes, ya know?

(ooooooooohh)

The person, that i am

(oohoohoh)

Gettin that money, ya know? hehe

[Chorus: R. Kelly (Ja Rule) {both}]

If it wasn't fo tha money, cars, tha home, tha jewels,  
tha baggs

That shows bout me and you I wonder (if ya still be  
wantin me)

I wonder (if ya still be callin me)

{still be lovin me}

It's tha star that knows tha rules somehow to move girl

Bout me and you i wonder (if ya still be wantin me)

I wonder (if ya still be callin me)

{still be lovin me}

[Verse 1: Ja Rule]

I know ya been lokin faint

Trips to the sedan and make up that max

Hair freshly done, but I'm not tha one

Unleash ya to want through me

Can you get it frontin like cover as long as we

Have to go through the honor where we forcin me

And, we can meet gettin by the event to see

I been treaten, til the fiend got popped out

Front but not leasenin

Ma got money to burn

I feed nails, weeves 'n' purse

And beyond bad, that body works

And love many skirts

If ya want to, i get you by me  
With skirts to try you to work  
To dare our words, ??  
And, what do you believe in?  
Money or god?  
Sum say god is money  
I say life is hard  
I say love, cause i, i wonder....

[Chorus: R. Kelly (Ja Rule) {both}]

If it wasn't fo tha money, cars, tha home, tha jewels,  
tha baggs  
That shows bout me and you I wonder (if ya still be  
wantin me)  
I wonder (if ya still be callin me)  
{still be lovin me}

It's tha star that knows tha rules somehow to move girl  
Bout me and you i wonder (if ya still be wantin me)  
I wonder (if ya still be callin me)  
{still be lovin me}

[Verse 2: Ja Rule]

We always say, its so good  
But I be like with it  
Be this good and wasn't who I was  
I'm up +in the club+ buyin out tha bar  
And blowin like bomber and all eyes is on me  
They drove sticks, so i guess im comin  
To find the fatest and is cashin on me  
Money can't buy love but it show cops moanin  
In the moment in the whole scene usin a pack of wholin  
The rest of the fingers is frozen, is fridgin  
My pack is look like carying them midgets  
To make ya go fast like su-cops sillies  
And its like years to keep on shiverin  
From the rich to the richest lifestyle and the faimless  
Causin lose on gangstas and its armed and dangerous  
If i was a picture unpainted  
Would ya love me if ya still framin, he, i wonder....

[Chorus (w/ ad libs of R. Kelly): R. Kelly (Ja Rule) {both}]

If it wasn't fo tha money, cars, tha home, tha jewels,  
tha baggs  
That shows bout me and you I wonder (if ya still be  
wantin me)  
I wonder (if ya still be callin me)  
{still be lovin me}

It's tha star that knows tha rules somehow to move girl  
Bout me and you i wonder (if ya still be wantin me)

I wonder (if ya still be callin me)  
{still be lovin me}

[Bridge: Ja Rule {both}]  
Baby girl, if there wasnt no money  
{and your home be gone}  
Would you still love me?  
{or be so gone?}

[Verse 3: Ja Rule]  
Thats what i never know  
And dope keeps hittin  
And after a relationship and there could also be trippin  
And it aint all bout sex and we talkin the position  
And any women ??  
I'M RICH!!  
Not to mention givin her real hair  
Like i and you fail her life  
Its ya nail and vibin and be loopin  
And thats why i be trippin ya like ima shoot ya  
I know what ya used to  
Baby you gotta be tha finest  
Just to know the top name designed it  
And i make my promise, just not bein flawless  
Ima buy you a few thangs throwin a few dollars  
If i wasnt, livin up in a star, would ya holla?, i wonder....

[Chorus (w/ ad libs of R. Kelly): R. Kelly (Ja Rule) {both}]  
If it wasn't fo tha money, cars, tha home, tha jewels,  
tha baggs  
That shows bout me and you I wonder (if ya still be  
wantin me)  
I wonder (if ya still be callin me)  
{still be lovin me}

It's tha star that knows tha rules somehow to move girl  
Bout me and you i wonder (if ya still be wantin me)  
I wonder (if ya still be callin me)  
{still be lovin me}

[Outro]  
Ohh, oh-ohoho  
Ohh  
Oh-ohoh
