Chorus

Anymore room, anymore room for me, in those jeans
2x

You're walkin' through this mall like you're all that and
then some
You're a great big bag of chips and I admit I wanna eat
some
Got a booty like a bandwagon girl I wanna climb on
So let's hang out tonight, we'll hit a club and get our
freak on
I can see that ass from the front (right)
Girl I can't even front (no)
Wanna tap on that tonight (word up babe)
Girl we'll be just like a bumper car (yeah)
A rollercoaster at a park
First you gotta tell me is there

Chorus

I'm like a diver, jumpin' into the deep now watch me
swim
Like a limo driver girl ready to take you there
Girl I'm feelin' the cornrows, tell me who did your hair
Frankie B., low rise, bootcuts you wear
If anybody tell you you ain't fine girl they're lyin
And Imma get into them jeans tonight or die tryin
I can see that ass from the front (yeah)
Girl I can't even front (no)
Wanna tap on that tonight (word up babe)
Girl we'll be just like a bumper car (yeah)
A rollercoaster at a park
First you gotta tell me is there

Chorus

Said I'm talkin to
Ladies in the mall (mall)
Ladies in the Gap (Gap)
One's in BeBe's (B's)
Said I'm feelin' ya'll (said I'm feelin' ya'll yeah)

In those sexy jeans
If you've got on Levi's (vi's)
and I can still see yo thighs (thighs)
Then baby won't you run to me, yeah
