Chorus

Hey hey hey hey

Hey, hey

Hey, hey

Hey, hey

Hey, hey

Girl I wanna kiss your candy

Lick your candy

Wanna kiss your candy

Lick your candy

You can kiss my candy

Lick my candy

You can kiss my candy

Lick my candy

Cmon now girl how many licks Does it take
to get to the center of your body girl And make you
scream

How many does it take

before your calling my name and squeezing on me

Girl your body's so right

And when you walk by

You Got the club on pause (ooh girl)

In your jeans real tight

I can see your little crack

Wanna hit them drawers

You windin? on me grindin? on me

Its like you got perfect timing on me

Got my stunners down while your stripping in the club

But when you bendin over gotta lift my stunners up

Eyes dark brown your skin is caramel

Girl you taste like nut juice

See your just like a box of cherries

And girl I wanna eat you

Chorus x2

Oh, on the floor girl pitch it like a pro do

Turn around let me hit it like a pro do

Five o? clock, lets get up out of here

In the coup, twenty minutes from my crib
(ho!) Do you wanna go!

Promise to go low!
On you
(ho!) You already know!
That a playa wo!
Na sex you
Spank, spank
Girl poke it out so I can go
Spank, spank
Move around and let me hear you go ooh ah
Shake it shake it shake it now ooh ah
Tell me can you take it now
Your like a bag of treats
There So much variety so much to nibble on
Im like a kid in a candy store
Girl whenever I go low on you
Gotta let you know

Chorus x2

ooh woo yea
I want you to take some shots with me (ooh woo yea)
Get somewhere and make a after party (where we can
blow one)
Aint nothing wrong with lettin yourself be free (no no
no)
And let me
Hit it from the back (yeah)
Jump up on the top (yeah)
Here I am on my knees

Chorus x2

Hey, hey
Hey, hey
Hey, hey
Hey, hey
Hey, hey
Hey, hey
Hey, hey
Hey, hey
Hey, hey
