Father be with me

I'm thinkin about buyin me some crack rock  
And goin to Dairy Queen in Greenspoint and set up  
shop  
I got a hot buck  
Figured a nigga bitches wanna fuck  
Is Fe but I'm HIV-free  
Cause no one busts nuts in my Lisa but me, see  
Three time loser, lost long before they enslaved me  
Islam gave me Allah to save me  
And nann devil can't fade me  
Niggas betrayed me and hoes, they played me  
But Fesu sleeps in a bed that nobody laid but me  
I wanna live my lifestyle on the rocks  
But right now I'm livin life out the matchbox

On the 1st and 15th I call Dirt Cheek  
And tell him rock it up and if it's dry I'll sell sheet  
Rock to survive cause a brother's gotta stay alive  
These fiends gon' be deakin, who am I not to get em  
high?  
Farrakhan say we gotta stop it  
He say he got a new plan to put money in our pocket  
But I'ma see if I can rock it  
If it's good for the goose, who am I to try to knock it?  
I wanna live my lifestyle on the rocks  
But right now I'm livin life out the matchbox

(Yo Fesu  
I know what you sayin  
A nigga just out here tryina make them ends meet  
But what you need to do  
Is break down the routine on how we do things in  
Greenspoint)

Been in the rap trade for a decade  
I've had ????? and dreads and now I'm back to a fade  
I know a lotta people in H-Town  
The Southpark, S-Acres all the way to D-Town  
Got in the game back in '85 in Acres Homes

In '86 a brother's 50'000 strong  
Got me a Beamer, I didn't pay the notes  
Huh, I left that up to the ??????  
Made housecalls droppin off crack  
Tell em, Loc (what's up?) we kept our pockets fat (yeah)  
Northside niggas ain't no joke, fool  
Goin for broke, you know how we do it in the old school  
I wanna live my lifestyle on the rocks  
But I'm out there bad, niggas, livin life out the  
matchbox

T.K., take me to the bender
