Hoo...
La-la-la-la-la-la-la

Mansions, hills, and bankers
Women, drinks and caterers
I will toast until the break of dawn
Swimming pools and strippers
Conversation, six figures
Never cross my mind to call home

There's a lonely
Tellin' me that you've had enough
It took you leavin' me for my blind eyes to see
That you mean

(Far more) Than this planet to me
(Far more) Than the air I breathe
(Far more) From here to overseas
(Far more) Girl, you're all I need

(Far more) Than the mountains and trees
(Far more) You mean more than the birds and bees
(Far more) Honey, take it from me
(Far more) You are all I need

Hangin' out with friends
Never calling to check in
Neglecting you in ever way
Takin' the whole world for granted
What was straight is now slanted
And I don't know what to do about it

There's a lonely
Tellin' me that you've had enough
It took you leavin' me for my blind eyes to see
That you mean

(Far more) More than this planet to me
(Far more) More than the air I breathe
(Far more) From here to overseas
(Far more) Girl, you're all I need

(Far more) Than the mountains and trees
(Far more) Than the birds and bees

(Far more) Honey, take it from me
(Far more) You're all I need

Shoop wop shoo wop skiddly be bop hip hop (Oh...)
Shoop wop shoo wop skiddly be bop hip hop (Oh...oh...)
Shoop wop shoo wop skiddly be bop hip hop
Far more, far more

Shoop wop shoo wop skiddly be bop hip hop
Shoop wop shoo wop skiddly be bop hip hop (Hip hop)
Shoop wop shoo wop skiddly be bop (Skiddly be bop)
hip
hop
Far more, far more (Far more to me)

(Far more) Than this planet to me
(Far more) Far more than the air I breathe
(Far more) From here to overseas
(Far more) Girl, you're all I need

(Far more) Than the mountains and trees
(Far more) The birds and the bees
(Far more) Honey, take it from me
(Far more) You are all I need, yeah

(Far more) Ever since you've been gone
(Far more) I realize, girl
(Far more) Just what it is I had at home
(Far more) Oh, baby, you mean far more

(Far more) Than this planet to me
(Far more) Than this air I breathe
(Far more) Nothing can compare to your love for me
(Far more) To your love for me

(Far more) To your love for me
(Far more) To your love for me
(Far more)
(Far more)

(Far more)
