[R. Kelly]

A lot of these cats out here be fakin  
When it comes to makin love  
But you and me baby  
This is real...  
And that's why it's...

[Chorus]

(Number one)  
Sex that we're having  
Here girl  
Ooh (this is, this is number one)  
Sex that we're having here girl  
You better ask somebody..

[R. Kelly]

Can't nobody do it like us  
Can't nobody mix chop and screw it like us  
All over the living room hittin it like us  
In the middle of the night wake up the building like us  
But it's oookay if you wanna brag  
The sex so good  
Go and pat yourself on the back  
And them haaaters, they gon hate  
But we just gon keep on blowing up cause girl  
They gon hate, anyway  
You are now rocking with the best (best, best, best...)  
I'll make you forget about the rest  
Having sex with you is like makin hits  
Girl we got egos they can't tell us that we ain't the shit  
I'm in your mix like a number one record  
And the beat goes on and on  
And it don't stop you keep going from the night onto  
the day  
And i love it when you take me down and make me say-  
ay..

[Chorus]

(Number one)  
Sex that we're having  
Here girl

Ooh (this is, this is number one)  
Sex that we're having here girl, ohh

Keri!

[Keri Hilson]

You know you stay at the top spot  
When you're breaking me down like a chop shop, eh  
Cutting like some blades on a caddy  
That's how you're working me, daddy  
Everytime you put that on  
You are now rocking with the best  
I'll make you forget about your ex  
This one here's a race where you don't wanna come  
first  
I know what i'm doing ain't no need to rehearse yeah-  
ee-yeah  
A lot of dudes just be going nowhere fast  
But you be steady cruising like you want it to last  
That's how you made me a chocoholic  
And right now my body's calling  
I gotta know how you got the knowhow  
Baby you the champ of all that goes down  
If your ---- was a gun it would stone cold?

With my RNB thug when I bang bang  
You know Kells and Keri hook up like that you make it  
number one

[Chorus]

(Number one)  
Sex that we're having  
Here girl  
Ooh (this is, this is number one)  
Sex that we're having here girl, ohh

[R. Kelly]

Hands down you the best  
Ain't no competition  
You and me in this bed  
Just what I was wishin  
Them other girls was cool but it's somethin they was  
missin  
And i don't call them back every since we hit it in the  
kitchen  
That night  
At my home  
Trench coat  
Nothin on  
Your sex  
Got me gone

Went straight  
To my dome  
And i love it woo  
Girl i love it woo  
And i love it woo  
Girl i love it woo  
Girl it's somethin about you that thrills me  
That's why after we lay you get to know the real me-e-e-  
yeah  
And it don't stop you keep going from the night onto  
the day  
And i love it when you take me down and make me say  
Eyyyyyy

[Chorus]  
(Number one)  
Sex that we're having  
Here girl  
Ooh (this is, this is number one)  
Sex that we're having here girl, ohh

[R. Kelly]  
Girl i vow that I would do anything to pleasure you  
All I wanna do is make this last  
I'll kiss you up I kiss you down  
Be real quiet or making sounds  
Take it slow or take it fast  
And wooo  
And wee  
And yoouuu  
And me  
Havin fun  
And when it's over in the morning i'll say gracias baby  
Before you go I'll scream damelo

(Num-num-number one, number one  
This is, this is number one)
