Rockland  
(In my life)  
Uhh, track masters  
(You're all I need in my life)  
Make money  
(You're all I need in my life)  
Duece, duece  
(You're all I need in my life)

Uh huh, yo, yo, yo, yo  
I remember in the days  
Y'all niggas talking all that shit about keepin' it real  
But when it comes to this game I'm a play the field  
Rockland had loot before we signed the deal  
Haters get in the way and catch the sky like seal  
We used to use the streets for the football field  
In church free lunch was our only meal  
But now we push whips with Lorenzo Wheels  
Living it up in Beverly Hills

You know 9 to 5 was only temporary  
Now the ladies wanna find tone in a hurry  
Got them hittin' notes that Mariah couldn't carry  
All you player haters going down like Mary  
Cop the Rolls Royce a player with a choice  
Ladies stay moist from the sound of my voice  
The lady killers pass the keys to our villas  
Rockland, track masters top billers

Only the loot can make me happy  
(Nothing but the loot baby)  
Happy  
(Show me the loot baby)  
Happy  
(Show me the loot)

Only the loot can make me happy  
(Nothing but the loot baby)  
Happy  
(Nothing but the loot baby)  
So happy  
(Show me the loot)

I never thought that I  
Could make someone like you  
I felt energized  
When you went through my groove  
I'll never let you go no  
You're so right for me  
I've got to let you know  
Forever you and me  
(The Balla's anthem right here)

Only the loot can make me happy  
(Show me the loot baby)  
Happy  
(Nothing but the loot baby)  
Happy  
(Show me the loot baby)

Only the loot can make me happy  
(Nothing but the loot baby)  
Happy  
(Show me the loot baby)  
So happy  
(Show me the loot)

You must be Heaven sent  
Sent into my life  
And I compliment you honey, the money  
(Nothing but the loot baby)  
We have a love that's long and true  
I make you in many ways  
I've got to roll with you  
Each and every day

Only the loot can make me happy  
(Nothing but the loot baby)  
Happy  
(Nothing but the loot baby)  
Happy  
(Uh uh)

Only the loot can make me happy  
(Nothing but the loot baby)  
Happy  
(Nothing but the loot baby)  
So happy  
(Nothing but the loot baby)

You're all I need in my life  
I don't need no one, I don't need no one but you  
You're all I need in my life

I don't need no one, I don't need no one but you  
I said "You're all I need in my life  
I don't need no one, I don't need no one but you  
You're all I need in my life, I don't need no one  
I don't need no one but you"

Only the loot can make me happy  
(Nothing but the loot baby)  
Oh happy  
So happy  
(R.Kelly)

Only the loot can make me happy  
(Black burn trackmatches)  
So happy  
(Nothing but the loot baby)  
So happy  
(Nothing but the loot baby)  
Only the loot can make me happy  
Happy, happy

Only the loot can make me happy  
(Nothing but the loot baby)  
Happy  
(Nothing but the loot baby)  
So happy

All I need in my life  
(In my life, in my life)  
(Nothing but the loot baby)  
I said "You're all I need in my life"  
(In my life, in my life)  
(Nothing but the loot baby)
