Everybody here? Yeah
Good, everybody got they drinks? Yeah
Alright, come on clap your hands with me
Dj you ready? Yeah
I said dj you ready? Yeah
Party people are you ready?
Put all your drinks in the air
Now, if you came to have a good time
Like I came to have a good time

Let's get this party jumping
Let's get this party jumping
Let's go now

Let's take some shots, let's celebrate
Let's run the beat like a tidal wave
Let's work it out, let's go hard
Let's act like this party's in a back yard
Shake it up, come on, shake it up
And let me see you break it down
And shake it up baby
Come on and show them how you do it girl
Let's rock the spoon, everybody get crazy,
Let's go

Let's get this party jumping
Let's get this party jumping
Let's go now

Turn the music up, mister dj
Light this party up, let it burn baby

We gonna get it in, till it close down
We gonn party all the way past 6 now
I feel bigger than the world tonight
And all the shine's on me cause I feel alright
So if you ain't feeling good, from head to feet
Then you ain't had enough to drink

Let's get this party jumping
Let's get this party jumping
Let's go now

All you and I don't wanna worry bout tomorrow
Let your trouble away tonight
Once the music grab your body and soul
Just feel it don't put up a fight

Let's get this party jumping
Let's get this party jumping
Oh come on, and turn around
Oh come on, and turn around
Come on let me see you, turn around
Oh I like it
Mama let me see you turn around
Turn around, turn around, turn around
Around, around, around, around
Girl you got me falling in love
Turn around, whoa
