Uh yeah, check, one, two, it's the piper  
(Ooh yeah, yeah yeah)  
(Ooh yeah, yeah yeah)

Aka Kellz

I'm in the building right now and uh  
I'm looking for nothing but steppers  
(Tell me where the steppers are)

So get on the dance floor and come on  
(Where are all the steppers at?)  
Uh, I feel good  
(Ooh ooh)  
I mean, I don't mean to brag, but uh

Custom green suit, apple gators  
Hundred thousand on my wrist  
Pinky shining, could be diamond  
White TL linen outfits

Jump out styling, ladies smiling  
Paparazzis everywhere  
Hummer, Stetches, Limo, Lexus  
Pull up while people stop and stare

(The whole scene looks like we're all on TV)  
Sometimes life can be like a dream  
When you're living on the big screen

Fancy cars, movie stars  
Red carpets and big applause  
Limousines and search lights  
This is how we gonna do it tonight, so

Pause, flash, pause, flash, pause, flash, pause, flash  
You and your partner are so so clean  
So take a picture for the memory  
Pause, flash, pause, flash, pause, flash, pause, flash

Ooh, I wanna go stepping now  
Step down tension about to climb  
(All I need is my partner)

(We go together like a hand in glove)  
Oh DJ, put the record on  
Picture it's my favorite song  
(Step in the name of love)  
One more, yeah  
(Step in the name of love)

(The whole scene looks like we all on TV)  
Sometimes life can be like a dream  
When you're living on the big screen

Fancy cars, movie stars  
Red carpets and big applause  
Limousines and search lights  
This is how we gonna do it tonight, so

Pause, flash, pause, flash, pause, flash, pause, flash  
You and your partner are so so clean  
So take a picture for the memory  
Pause, flash, pause, flash, pause, flash, pause, flash

You know us, woah  
(You know us)  
You know how we like to dress up and go out  
(And go out and hit the club)  
I'm not leaving here until I take me a picture  
(Camera man, just wait 'til I'm ready)  
Oh yeah  
(And you can take a pic)  
On three ya'll, one, two, three, say cheese

Fancy cars, movie stars  
Red carpets and big applause  
Limousines and search lights  
This is how we gonna do it tonight, so

Pause, flash, pause, flash, pause, flash, pause, flash  
You and your partner are so so clean  
So take a picture for the memory  
Pause, flash, pause, flash, pause, flash, pause, flash

Fancy cars, movie stars  
Red carpets and big applause  
Limousines and search lights  
This is how we gonna do it tonight, so

Pause, flash, pause, flash, pause, flash, pause, flash  
You and your partner are so so clean  
So take a picture for the memory  
Pause, flash, pause, flash, pause, flash, pause, flash
