[Chorus:]

Girl you make me wanna get you pregnant,  
Girl you make me wanna get you pregnant,  
Lay your body down and get you pregnant,  
Knock you up, pregnant, Knock you up

[R. Kelly:]

Now usually I leave the club with a girl who has a man  
And take her to the hotel for just a one night stand,  
See I'm a playa so I ain't tryna take her on no dates,  
But much like my patron man I'm just tryna take it  
straight,  
Until I met this girl in the club with an unbelievable  
booty,  
Sweetest girl in the world and I mean it and on top of  
that she's a cutie,  
I ain't seen nothing like her around here in a while,  
And if I had a girl she'd be the one to bear my child,  
Telling myself I'm a playa so I keep tryna shake it off,  
But I keep on seeing this big old house with a picket  
fence and a dog,  
Never felt nothing like this,  
She's more than a mistress enough to handle my  
business,  
Now put that girl in my kitchen,

[Chorus:]

Girl you make me wanna get you pregnant,  
That's what I told her,  
Girl you make me wanna get you pregnant,  
Lay your body down and get you pregnant,  
Knock you up, pregnant, knock you up

[Tyrese:]

Now all the pretty ladies please line up right next to me,  
How would you like to go on a little trip with your boy  
Tyrese,  
Raise your hand if you want me to fulfill your fantasy,  
I can have you co-starring and in one of my movies  
Tell me what your name is,  
I can make you famous,  
We can pop champagne and get right down to sexing,

Now I ain't got nothing to do tonight I gotta wait for my crew,  
I just wanna put some in you,  
And I can tell that you want it too,  
And I'm ready babe,  
And your ready babe,  
So come on ladies let's get up out of this club  
Kel's, dream & ryse after party  
You can F\*\*\* with us,

[Chorus:]

Girl you make me wanna get you pregnant,  
Girl you make me wanna get you pregnant,  
Lay your body down and get you pregnant,  
Knock you up, pregnant, knock you up

[Robin Thicke:]

Ohh ooh this song has got me hungry baby baby  
So tell me that you want me baby baby  
And girl I'll love you until the sun shines  
And girl I promise that I will make you my baby  
Around the world in and out of clubs  
Hanging with chicks and I don't see nothing wrong  
With having a kid, ooh ooh, sounds like heaven's  
calling us  
Ooh ooh and girl let's make this about making love  
If you choose me I guarantee that the rest of your life  
Would be man drama free, I think both of us should  
Leave this club and get somewhere alone with me  
where  
There is no phones to ring and plant this magic seed

[Chorus:]

Girl you make me wanna get you pregnant,  
Girl you make me wanna get you pregnant,  
Lay your body down and get you pregnant,  
Knock you up, pregnant, knock you up

[The-Dream:]

Knock you up, pregnant, knock you up
