Pussy is a whole different aspect of life
Wars don started from country to country over they
women
Pussy is one of the most powerful things in the world
And a lot of people don't understand how powerful
pussy is

Pussy makes niggas blow they brains they bitch brains
out
Or, or, or, or pussy makes people do thangs
They never would think they do

The power of the P U S S Y
That's why every motherfucka in the world dress fly
Every baller that can afford it they cop da best ride
For the power of the P U S S Y, let's have some fun

S S Y
That's why nigga's get haircuts, try to dress fly
Every balla that can afford it he cop the best ride
For the power of the P U S S Y

I know this girl, we call her sweet cooch brown
Hands down mami had the bombest pussy in town
One dip in the girl pool that's all it took
One sample of the snapple and your ass was

Whup have you buying Gucci sandals, matching
pocketbooks
Blowing up her beeper ringing her phone off the hook
Ballplayers spent money, rappers they spent time
All the while both claiming that they never spent a dime

Business guys she would victimize
Have 'em paying rent on condos in a Miami high rise
They ask her who's pussy's this looking her right in her
eyes
She said this pussy's yours daddy telling 'em nothing
but lies

Ha, they didn't believe her but they wanted to needed
to

She had the type of body that you didn't want leaving
you
So they ignored all the flirtin' ways
And put a ring on her finger I'm like Earth to Dave

The power of the P U S S Y
That's why every motherfucka in the world dress fly
Every baller dat can afford it they cop da best ride
For the power of the P U S S Y

The power of the P U S S Y, ha
That's why nigga's get haircuts, try to dress fly
Every balla that can afford it he cop the best ride
For the power of the P U, I see you

Now I ain't no rapper but I'ma sing my shit
When comes down to that motherfucking click, click,
click
Niggas are sick, sick, sick
Turn on you quick, quick, quick

And that's why I be giving mami much dick, dick, dick
Why chumps be coping them diamonds and furs and
all that
Feening for that pussy as if y'all was on crack
When it comes to the truth I can't hold back

Y'all cats can't be babysitting these broads need to be
smacked
It's this nigga name Monroe that I know from way back
He hit the lotto bought this girl a Cadillac
Now this bitch be creeping behind this niggas back

He busted her, guess what he still took the bitch back
Three things niggas love money, pussy and drugs
Can't get one without the other unless you softer then
love
Now take it from a player who's done all the above
Niggas it's the lesbian R&B thug

The power of the P U S S Y
That's why every motherfucka in the world dress fly
Every baller dat can afford it they cop da best ride
For the power of the P U S S Y

The power of the P U S S Y, ha
That's why nigga's get haircuts, try to dress fly
Every balla that can afford it he cop the best ride
For the power of the P U, I see you

Niggaz would do anything for some pussy

Hey oh oh, see it don't matter who you are, where you
from
In this life at some point you gonna wanna get cha'
some
Yes, you will whoo, Lord
