Now let me pull ya hair(pull ya hair) 3X

[Verse 1:]

And you treating if you got it so I paid for the nails
She told me she was hungry so I paid for the hairs
Her body like a coin flip heads or tails
Beep beep) girl don? t back it up on me,
She did it anyway and it felt like a truck on me
Stop teasing hit this dro, and let's get woozy
Turn the flat screen off, girl forget that movie
Follow me to the bed room, or we can hit the back of
the mayback
It's something like a bedroom, a lot of pillows and head

Hips and thighs, a nigga trying to see what that xxx do.
She said be careful, of her hair, do. Last chick said that
I pulled on her hair too. It's kellys, listen up all women
