Ooh, ooh, ooh  
Ahh, ahh, ahh  
Uhh, uhh, uhh, yeah, yeah, yeah  
Ooh, ooh, ooh  
Ahh, ahh, ahh  
Yeah, yeah, yeah  
Mmm, mmm, mmm

In the Playa's Club  
Checkin' at your body baby  
Steadily tossin that cash flow baby  
Cause you drive me crazy  
Won't you be my lady?  
Betcha I can make your body talk to me  
(Talk to me)  
All I need is my CD, bag of weed and some Cristie  
(yeah)  
Then I'm gonna stroke you up and down  
Messin' with your head  
And when you leave up out my room  
You'll be walkin' bow leg  
I can keep your body comin' like a CTA  
You're dealin with a true baller baby  
Givin' you the keys to my Mercedes

I'm not gonna stop til' you scream my name  
And say ooh Kelly you make me holla  
Keep on jumpin' like an Impala  
You slidin' that sexy ass down the pole like what  
(What, what, what, what, what)  
Come and get some of this  
R&B thug baby

I'm just an R&B thug babe  
Tryin' to get some ass babe  
Do you wanna thug babe?  
I'm just an R&B thug babe  
Lookin' for some love babe  
Do you wanna date babe

You're gonna trip, gonna trip  
Gonna trip, gonna trip, gonna trip

When I show you my love jones babe  
And make the room go black  
Baby girl keep your body right there  
I'm gonna sock it to you baby  
I wanna hear you say yeah, yeah  
NOW the sign of the knob says privacy  
You and me  
On the low, fruit bowls and whipped cream  
We can get up on a fancy suite  
Thugged out with some Hennessy  
See, see, see  
Lock your body up and throw away the key

I'm not gonna stop til' you scream my name  
And say ooh Kelly you make me holla  
Keep on jumpin' like an Impala  
You slidin' that sexy ass down the pole like what  
(What, what, what, what, what)  
Come and get some of this  
R&B thug baby

I'm just an R&B thug babe  
Tryin' to get some ass babe  
Do you wanna thug babe?  
I'm just an R&B thug babe  
Lookin' for some love babe  
Do you wanna date babe

Now feel a knot down in my pants  
While you breakin me off with a lap dance  
Said it's getting me high, it's got me feelin' hazy  
I'm goin around your body like a worldwide tour  
I'll make yu say toot toot, beep beep  
Pull up to my bumper baby

I'm not gonna stop til' you scream my name  
And say ooh Kelly you make me holla  
Keep on jumpin' like an Impala  
You slidin' that sexy ass down the pole like what  
(What, what, what, what, what)  
Come and get some of this  
R&B thug baby

I'm just an R&B thug babe  
Tryin' to get some ass babe  
Do you wanna thug babe?  
I'm just an R&B thug babe  
Lookin' for some love babe  
Do you wanna date babe

I'm just an R&B thug babe

Tryin' to get some ass babe  
Do you wanna thug babe?  
I'm just an R&B thug babe  
Lookin' for some love babe  
Do you wanna date babe

Now if you're horny say  
Ooh, ooh, ooh  
Aah, aah, aah  
And if you want it say  
Uhh, uhh, uhh  
Say yeah, yeah, yeah
