Uh, yeah (ooh yeah-yeah-yeah)
Check one, two, it's the Piper, AKA Kels (ooh yeah-yeah-yeah)
I'm in the building right now and uh (whoa)
I'm looking for nothing but steppers
(Tell me where the steppers at)
So get on the dance floor and come on
(Where are all the steppers at?)
(Ooh-ooh...) uh, I feel good
(Ooh-ooh...) I mean, I don't mean to brag, but uh

Custom green suit, apple 'gators
Hundred thousand on my wrist (whoa)
Pinky shining, Coup reclinin'
White TL linen outfits (whoa)
Jump out styling, ladies smiling
Paparazzis everywhere (whoa)
Hummer, stretches, limo, Lexus
Pull up while people stop and stare
(The whole scene looks like we're all on TV)
Ooh sometimes life can be like a dream
When you're living on the big screen

Fancy cars, movie stars
Red carpet and big applause
Limousines and search lights
This is how we gon' do it tonight, so...
Pause (flash) pause (flash)
Pause (flash) pause (flash)
You and your partner are so, so clean
So take a picture for the memory
Pause (flash) pause (flash)
Pause (flash) pause (flash)

Ooh I wanna go steppin' now (whoa)
Step contest you know I'm 'bout to clown (yeah)
(All I need is my partner; we go together like a hand in glove)
Ooh DJ put the record on (yeah) picture it's my favorite song
(Step in the name of love) (whoa) one more time (step in the name of love) yeah

(Oh the whole scene looks like we're all on TV)
Ooh sometimes life can be like a dream (like a dream)
When you're living on the big screen (big screen)

Fancy cars, movie stars
Red carpet and big applause
Limousines and search lights
This is how we gon' do it tonight, so...
Pause (flash) pause (flash)
Pause (flash) pause (flash)
You and your partner are so, so clean
So take a picture for the memory
Pause (flash) pause (flash)
Pause (flash) pause (flash)

You know us (you know us) whoa
(You know how we like to dress up) and go out
(And go out and hit the club)
I'm not leaving here 'til I take me a picture, whoa
(Camera man) oh yeah (just wait til I'm ready) oh yeah
(And then you can take a pic)
On three y'all, one, two, three, say cheese

Pause (flash) pause (flash)
Pause (flash) pause (flash)
Pause (flash) pause (flash)
Pause (flash) pause (flash)

Fancy cars, movie stars
Red carpet and big applause (whoa)
Limousines and search lights
This is how we gon' do it tonight, so...
Pause (flash) pause (flash)
Pause (flash) pause (flash)
You and your partner are so, so clean
So take a picture for the memory (ohh)
Pause (flash) pause (flash)
Pause (flash) pause (flash)
Fancy cars, movie stars
Red carpet and big applause (whoa-whoa-whoa)
Limousines and search lights (oh)
This is how we gon' do it tonight, so...
Pause (flash) pause (flash)
Pause (flash) pause (flash)
You and your partner are so, so clean
So take a picture for the memory
Pause (flash) pause (flash) (oh)
Pause (flash) pause (flash)
