Jerz you know I had to do it right
Let's go
Yeah

[Chorus:]
Lights, that's the stamina action
I'm a rock star, (I'm a rock star baby)
Check the crowd reaction
I like lights, that's the stamina action
I'm a rock star
Check the crowd reaction
I like

Hey, you's a rock star baby
Up in the building making the club go crazy (Got em
going crazy)
Hey you're a rock star baby
Throwing ass like that you must be a rock star baby
Read...

[Jay Read Verse 1]
I peeped this beautiful butterscotch momma wit style
I must be Common she's Lauren cuz she's driving me
wild
I aint even spoke a word yet an I'm already stuck on her
Wanna be the front runner
For the gold to touch her soul
An everybody wanna be the one chose
An yall already know that's me
I gotta lock wit a key on the creep
I'm on a level that a nigga can't reach
Whenever we have beef we just meet in the sheets
An yall already know what the rest is
You want a summary I'll give you alittle extra
It was alittle bit of this & alittle bit of that
But you'll never really know the facts
That's for me and her
An for yall to never to know
See this is A & B so C your way up out the door
I'm on tour an I penetrate to the core
They say I'm a rockstar and they luv that I'm hardcore
Luvs that I'm so real

I could pick her up off her heels
An put her up in positions her walls just can't feel
Now she tingling her legs got to shivering
The way I lay this pipe down now I got her singing this

[Chorus:]

Hey, you're a rock star baby
Up in the building making the club go crazy
Hey you're a rock star baby
Throwing ass like that you must be a rock star baby
Say I'm a rockstar baby
Fucking with this weed and Patr n got me hazy
Hey I'm rockstar baby
So put 'em up if you're a rockstar baby

[Verse 2]

Girl your booty so swole
How you get them jeans around it
Girl your booty so swole
Why you think I'm singing about it
Hit it hard from the back

And then I go to sleep and dream about it
It's like that ass is crack
The way you got me feenin about it
I'm telling you now the way fuck
Gonna lead to child birthin'
Rocking to this guitar
Is bout to have me crowd surfing
Kells'll put on a show
Up until they close curtains
Then right after the show
Backstage ass hurting
Call me scottie 'cause girl, 'cause girl
I'm a about to beam up
Once I get, get you
Gone, come on up out of those D cups
Stroking it hard stroking it hard
While you got your legs up
Making your making your sound like your
Got the hiccups
Know what you want Kell's about to give you what you
need
Up in my room you're screaming Hercules Hercules
Man get Kells & Luda on a track a hit is guaranteed
Everybody's on they feet
This is what you all shirt should read

[Chorus]

I got my drink in my cup.

I got my hands in the air
I'm about to set this bitch off
Like I'm a rockstar baby
We out of this club
Wanna hit the after party
All the ladies coming with me
'cause I'm a rockstar baby

So put your hands up
Put your hands up
Put your hands up
Put your hands up

Everybody's in the building come on real swizzy
If you're a rockstar baby

[Chorus]

Lights, that's the stamina action
I'm a rock star
Check the crowd reaction
I like lights, that's the stamina action
I'm a rock star
Check the crowd reaction
Lights, that's the stamina action
I'm a rock star
Check the crowd reaction
I like lights, that's the stamina action
I'm a rock star
Check the crowd reaction
