Early one Sunday morning  
Breakfast was on the table  
There was no time to  
Eat  
She said to me boy hurry to Sunday school  
Filled with the long of glory  
We learned the holy story  
She'll always have her dreams  
Despite the things

This troubled world can bring.

*[CHORUS]*

Oh Sadie don't you know we love you sweet Sadie

Place No one above you sweet Sadie

Well Well Well

Living in the past

Sometimes it seems so funny, no money can turn your  
life around

Sweeter than cotton candy  
Stronger than papas' old Brandy  
Always that needed  
Smile  
Once in awhile she would break down and cry  
Sometimes she'd be so  
Happy  
Being with us and daddy  
Standing the worst of times

Breaking the  
Binds with just a simple song

*[CHORUS]*

Oh Sadie  
She's Loving my song in a special way

Sweet Sadie  
Living in the  
Past  
Oh she's never sinning in Love she's always winnin  
My my my my my  
I  
Love you mama  
I just can't forget how you gave me love oh no  
If there's a  
Heaven up above I know she's teaching angels how to  
love  
Its a mean world  
Without ya  
And I surely miss you much mother  
And now that your gone I'm  
Gonna carry on  
Cause your cryin lady  
Ooh sadie  
When I think about the  
Things that you done for me  
Hey it brings a joy way down deep inside of me

Oh oh oh oo oh  
See I love you mama  
Yes I do  
I'll never forget you mama no  
Oh oh oh
