Slowly goin in hand on her mouth  
Bout to have sex while it's people in my house  
She ain't really caring nothin bout the party  
Tryin to keep her calm but she so naughty  
Hand on her shoulder while I'm rollin it  
Lookin in the mirror while I'm stroking it  
Then she pull away and I don't get it  
She ready I can tell the way she holdin it  
O except one thing she likes lil mama don't know how to  
act when I'm hittin from the back (yea)  
Cause she's moanin loud and she scraatchin me  
She's goin wild and she's grabbin me about to make the  
bed break we rockin it break we pushin it  
I know they're hearin it  
But she don't want me to take it out keep goin  
And I don't really wanna take it out she says there's  
somethin freaky about the other people bein on the  
other side of the door shawty is a screamer  
Shawty is a screamer  
Breathe breathe hit it rest  
Breathe breathe hit it rest pullin on her hair grabbin her  
neck  
She give me full control the up most respect  
And our love in the air our love in the air  
She's about to make me forget that I'm a playa  
She yank me I spank her she say spank me more  
I spank her again and now we all on the floor floor floor  
Now I'm goin lower lower lower  
Then she turned over  
She say she never had a man do it like that  
I say I never heard somebody moanin like that  
Cause she's bitin her lips and makin faces  
As I ram her hips we goin crazy about to make the bed  
break we rockin it break we pushin it  
I know they're hearin it  
But she don't want me to take it out keep goin  
And I don't really wanna take it out she says there's  
somethin freaky about the other people bein on the  
other side of the door shawty is a screamer  
Shawty is a screamer  
Breathe breathe hit it rest  
Breathe breathe hit it rest

Breathe breathe hit it rest  
Breathe breathe hit it rest

She screamin so sexy  
It's tropical like a fantasy(yea)  
Deeper I can't control her because shawty is a shawty is  
shawty is a screamer

Shawty is a screamer  
She lovin it she lovin it  
I'm pushin it  
Shawty is a screamer

Be quiet
