(R Kelly)

She did something to me, I don't know what it is, but
when I walked in the club I was like..(allright, uha, owh!)

When I first saw shawty in the club she was walkin?
through short skirt and stiletto's on
Walk right be me with a switch and a hip lookin? at me
all sexy turning me on
While I'm posted up like a player, folded my arms and
rubbed on my chin
I am focused on that booty man just plot know how to
get in

(Chorus)

She's a bad girl and I want it
She's a bad girl and she knows it
Man I give her a ten in a do?
It's a rap shit competition no mo?
She got the whole club in slowmo?
And she knows it..

Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..(look at her
she know that)
Said she know what she's doin?, ey.. ey.. ey..(girl is a
pro)
Said she know what she's doin?, ey.. ey.. ey..(oeh oeh)

(R Kelly)

I'mma drive 500 dollars on the flo? so far and I'm just
getting? started
And in case you didn't know I'm a bulls eye man so I'm
bout? to hit the target
She's goin' lower and lower and I'm aksin' myself how
low can she get
Than she took it to the flo? and made it clap and I said
damn lil' mamma's got it

(Chorus)

She's a bad girl and I want it
She's a bad girl and she knows it
Man I give her a ten in a do?

It's a rap shit competition no mo?
She got the whole club in slowmo?
And she knows it..

Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..

(Taio Cruz)

I told her baby do you know what my name is and do
you know where I'm from
I come from L o n d o n and that's inside the United
Kingdom
My name is Taio Cruz and I love the way that you do
your dance for me, yes!
She leaned in close whispered this story wait until I'm
out of this dress

(Chorus)

She's a bad girl and I want it
She's a bad girl and she knows it
And I aint gonna lie, shawty's a ten
But I know I Bout? to get in
Cuz she aint never had a European
And she knows it..

Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..
Said she know what she's doin?, ey.. ey.. ey..
