A yo R. Kelly  
What's up man  
You been spending a lot of time with this girl man  
I don't know man  
She just got that vibe you know what I'm saying  
Aaight tell em the script  
Aaight bet

Vibe, vibe, vibe  
You've got that vibe  
Vibe, vibe, vibe  
You've, you've, you've got that  
Vibe, vibe, vibe  
Girl you've got  
That vibe

Ooh, stop the press  
Girl you turn me on  
And I wonder  
If I could take you home  
I must confess  
The tight mini-skirt you wear  
I just can't help it baby  
I can't help but stare  
So  
Tell the DJ  
To pump it up a little more  
Hey girl  
I gotta let you know  
That you've got that vibe

*[repeat chorus]*

It's one o'clock  
And the party's just beginning  
The place is jumping  
Ooh what a lovely scene  
Gotta let you know  
Let you know the deal  
I want you now baby  
And I'm for real  
So

Tell the DJ  
To pump it up a little more  
Now baby  
I gotta let you know that  
You've got that vibe

*[repeat chorus]*

Yeah  
How would you like to get  
A piece of this pie  
- You could be my girl  
And I could be your guy  
Yeah cuddle me in your arms  
Like I'm your teddy bear  
There isn't that nice  
You'll have no fear yo

- Kiss me you fool  
And make me melt like butter  
When it comes to sayin' I love you  
I won't st-st-st-stutter  
I'll turn you on like a neon light  
Make everything alright  
Like in the middle of the night  
Yo when you need somebody to love you  
- Yeah  
Like flintstones we'll have a yabbadabbadoo  
Kiss and caress you and hold you  
And my word is born  
Yo P. A.  
- Wassup  
She's got that vibe huh

Sing it with me baby  
Sing it with me baby  
She's got that vibe [8x]

*[repeat chorus]*
