Here he comes
Here comes Speed Racer
He's a demon on wheels
He's a demon and he's gonna be chasin' after
someone.

He's gainin' on you so you better look alive.
He's busy revvin' up a powerful Mach 5.

And when the odds are against him
And there's dangerous work
You bet your life Speed Racer
Gonna see it through.

Go Speed Racer
Go Speed Racer
Go Speed Racer, Go!

He's off and flyin' as he guns the car around the track
He's jammin' down the pedal like he's never comin'
back
Adventure's waitin' just ahead.

Go Speed Racer
Go Speed Racer
Go Speed Racer, Go!

He's gainin' on you so you better look alive.
He's busy revvin' up a powerful Mach 5.

And when the odds are against him
And there's dangerous work to do
You bet your life Speed Racer
Gonna see it through...

Go Speed Racer
Go Speed Racer
Go Speed Racer, Go!
