All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

Baby, through all the up's an' down's you were a  
Lady, I wanna show you how I love you  
Baby, deserve the very best an' I  
I'll give to you, only to you  
How can I show you that  
Only you satisfy everything that you do?  
Baby girl, anything that you want  
I'll give to you, just promise me forever, boo

All that money I spend  
All those places I've been  
Can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

Baby, I can't imagine life without you  
With me, I never wanna be without you  
Baby, I want you to believe it's true  
All that I do, I do for you  
How can I show you that  
Only you can satisfy, everything that you do?  
Anything that you want I'll give to you  
Just promise me forever, boo

All that money I spend  
All those places I've been  
Can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you

I want you with me babe  
Here's life without you

Don't know why you stayed  
Stayed by my side for so long  
So I dedicate baby, in every way  
All my heart an' soul, it belongs to you

All that money I spend  
All those places I've been  
Can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe

Here's life without you

All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you

All that money I spend  
All those places I've been  
I can't forget you babe  
Here's life without you  
Workin' hard for this loot  
Wanna spend it with you  
I want you with me babe  
Here's life without you
