I can see my destination
I can hear my call
No more hesitation
This time I'm goin' for it all

'Cause I know where this road leads to
And therefore I will rise
I know this dream will come true
And I will soar the sky

Spirit, spirit, would you guide me
Spirit, oh spirit, stand by me
Come on, come on, come on
Set me free

I can feel the penetration
Of a strong wind movin' me
I feel can the elevation
Of an angel lifting me

'Cause I know where this road leads to
Therefore I will rise
I know this dream will come true
And I will soar the sky

Spirit, spirit, would you guide me
Oh, spirit, spirit, stand by me
Come on, come on, come on
Set me free, oh, spirit

Now that I've found my way home
I've got to get there, get there
Though one step seems one mile long
Your bridge before my face
I will take the leap of faith

Spirit, spirit, would you guide me
Oh, spirit, spirit, stand by me
Oh, spirit, spirit, set me free
Spirit, spirit, spirit, set me free

Help me find my way

Stand by my side
Spirit take my hand
And be my guide

Run free, run free
Run free, run free
Run free, run free
