## INTRO

This goes out to the steppas yall  
Thats right  
Ive decided to do somethin for yall  
Hope yall like it  
Cause its from my heart  
Now I know how ta step a little bit  
You know what Im sayin but  
But Im gonna need some of yall to show me somethin

## VERSE

Many lovers has come  
And many lovers have gone  
Similar to an an old fashioned song  
A thousand years from now  
Well be still puttin it down my baby  
You can change the frame  
But the picture remains the same  
Similar to the sun after the rain  
A thousand years from now  
Well be still puttin it down my baby

Baby girl in other words forever more Ill be here  
Cause my whole lifes been full of joy  
Ever since you came here..girl

## B-SECTION

Goes around goes around x7  
My whole world goes around  
Because you can spin me  
You spin me  
And every time were done making love girl  
Ooh it makes wanna

## HOOK

Snap in the name of love x2  
Snap my fingers  
Clap in the name of love x2  
Clap my hands yeah  
Step in the name of love x2  
Step from side to side

Groove in the name of love x2  
Groove till its alright

#### TALKING

Now wes gonna play a little

#### VERSE

Some believes in love  
And some people dont  
Similar to a story when its told  
A thousand years from now  
Well be still puttin it down my baby  
Some have crossed the finish line  
And some gave up  
Its like movin a mountain love can be just that tough  
A thousand years from now  
Well be still puttin it down my baby

Baby girl in other words forever more Ill be here  
Cause my whole lifes been full of joy  
Since you came here..girl

#### B-SECTION

Goes around goes around x7  
My whole world goes around  
Because you can spin me  
You spin me  
Think I wanna make a baby x3

And every time were done making love girl  
Ooo it makes wanna

#### HOOK

Snap to the name of love x2  
Snap my fingers  
Clap to the name of love x2  
Clap both my hands  
Step to the name of love x2  
Step in the name of love  
Groove to the name of love x2  
And groove til its alright

Snap to the name of love x2  
Oohooh  
Clap to the name of love x2  
Clap my hands  
Step to the name of love x2  
Step step stepuh-huhyou got it  
Groove to the name of love x2  
Groove in the name of love

Now were gonna play a little game  
And this games for  
All of those who know how to follow the rules to this  
game  
Alright listen  
When I sing I want everybody out there to do what ever  
I sing  
Here we go

Step step side to side  
Round and round dip it now  
Separate bring it back  
Now let me see yo do the slide  
Step step side to side  
Round and round dip it now  
Separate bring it back  
Now let me see yo do the slide

#### BRIDGE

Goes around goes around x7  
My whole world goes around  
All because of youspin me  
You spin me  
Think I wanna make a baby x3  
And when were done making love baby  
Hey I just wanna get dressed up and go out on the town  
and

#### HOOK / VAMP

#### VAMP / BRIDGE

Listen  
Love brought us together  
So keep on steppin because  
Loves gonna last forever  
Clap in the name of Love  
Lets step out, hit the club  
Djs rockin that song for us If anybody asks, why were  
steppin, Tell them that We did it for love Dedicated to  
Uncle Henry Love Oh I Love youthank you
