Girl, you know, you knock me out  
You're a real girl with your looks now baby  
Girl you know, you knock me out

Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy

1, 2, 3, 4 it's time for me to jet  
Where you goin' off to, the beach, that's a bet  
It's summertime so it's time to get a summer  
These summers, goes and I won't call them, whores

'Cause in the 90's you gotta respect the ladies  
So step up to 'em and say, ?We love you sweet Sadie?  
That's how you get your true mock on but  
Brothers be steppin' up poppin' that sad song

Hey don't I know you from somewhere?  
Can we go somewhere to be alone?  
I pull up in the lot, pop the trunks make their heads bob  
And it's sunny so it's time to get a summer bunny

Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy

It's five o'clock and my voice code is 22  
So beep, beep, beep  
It's time for me to make a move  
I'm on my way to a picnic

But I wanna be early, fool  
So I can catch the new bunnies comin' in  
Like the old school

Strollin' the block so I can check the scenery  
The sun plays, the day is feelin' good to me  
I can just smell the funky beats  
You know the flavor in between the sheets

I told 'My boy Big Al', said 'Just keep it straight?  
He said, 'I know I got a novelty to validate  
So who's the bunny lookin' sweet like a honeycomb??  
He said, 'No my brother, you got to get your own?

Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy

This party is packed, word to the mother  
I love it when there's three bunnies to one brother  
And wine coolers is what I'm packin'  
And when I get my buzz on is when I start bunny-jackin'

Jackin' fools for their bunnies  
'Cause I'm the K, the E, the double L, the Y  
They wanna get with me and the PAs in the house  
So check, check, check it out

My stomach is growlin' so it's time to get mine on  
Some soul food, cool Aid and you know it's on  
I hate to eat and run but I'm out my homie  
Been invited to a block party, so we roll up in all our  
style  
With the brothers yellin', summer bunnies

Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy

Let's break it down  
You're lookin' real good but your looks are like a baby  
You're lookin' real good but your looks are like a baby  
You're lookin' real good but your looks are like a baby

Girl, you know you knock me out  
Girl, you know you knock me out  
Girl, you know you knock me out  
Girl, you know you knock me out  
Girl, you know you knock me out  
Girl, you know you knock me out  
Girl, you know you knock me out  
Girl, you know you knock me out

Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy  
Summer bunnies drive me crazy
