This is for them big girls, smalls girls, tall girls  
And this is for them skinny girls, white girls, black girls  
Don't matter the color, any nationality  
I got a sweet tooth, come and get with me

When I saw you at the club girl leanin' and rockin' wit it  
Ooh you made a \*\*\*\*\* wanna get with it  
Let me put you in the back of the coupe and hit it  
And now all I wanna do is babysit it

I been feenin', wantin' to kiss it  
Hungry girl, let me raid your kitchen  
Fix me a plate of that  
I'm not playin' girl I'm on a mission

Legs won't stop shakin' once I do it  
(Uh uhn)  
Tongue game tight, girl let me do it  
(Uh huh)  
Tease you then please you girl  
Open up, let me in your world

Girl I wanna be alone with you  
I'm tryin' to see what that booty do  
Baby first let me know  
What you gonna do about this sweet tooth

Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
You're lookin' like a big ol' piece of cake

I'm all up in your middle  
Ooh it taste like Skittles  
I'm just keepin' it real with you  
Girl I got a sweet tooth

Now that I got you on my bed  
Clothes off, lyin' next to me  
Girl I'm about to give myself a cavity  
Plus I'm gonna need band-aids for my knees

Girl set the table, now let me feast  
Strawberry shortcake with whipped cream  
I can taste it, my mouth is waterin' for you  
Come here girl let me show you

Hop in the rain, slide through  
All up in your crib and toss you  
When it's over I want more of you  
So open up let me spoil you

Girl I wanna be alone with you  
I'm tryin' to see what that booty do  
Baby first let me know  
What you gonna do about this sweet tooth

Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
You're lookin' like a big ol' piece of cake

I'm all up in your middle  
Ooh it taste like Skittles  
I'm just keepin' it real with you  
Girl I got a sweet tooth

I don't want no dinner babe  
I'm goin' straight for dessert  
You don't need no panties babe  
Girl up under that t-shirt

Well you taste so good to me  
And I can't get enough  
See, doc says stay away from sweets  
\*\*\*\* \*\*, come on and get my sugar up

Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
You're lookin' like a big ol' piece of cake

I'm all up in your middle  
Ooh it taste like Skittles  
I'm just keepin' it real with you  
Girl I got a sweet tooth

Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
You're lookin' like a big ol' piece of cake

I'm all up in your middle

Ooh it taste like Skittles  
I'm just keepin' it real with you  
Girl I got a sweet tooth

Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
You're lookin' like a big ol' piece of cake
