Ah, Let's fly, alright.  
Let's fly, alright.ha.ha.ha  
Let me take you on a trip around the world and show  
you want to do,  
Girl, let me take you on a trip around the world and  
show you want to do,  
U say wanna drive nice car, where car fly among the  
stars  
I want to take you there,  
Coz you say u've never been nowhere, New York Cold  
Jersey Madison Square  
I can take you there  
Say u wanna hear the clubbing get down like a  
Saturday night in showtown  
Girl, I can take you there  
In San Francisco big, I get a fabulous xxx in marmalade  
Girl, I can take you there

Let me take you on a trip around the world and show  
you want to do,  
Let me take you on a trip around the world and show  
you want to do.  
I can show you, I can show you,  
I can show you, I can show you, better than I can tell  
you.

I can show you, I can show you,

I can show you, I can show you, better than I can tell  
you.
