eh-eh-eh its kals
d-d-d DJ pharris
yall know joey crack
busta busta lets go
Pull up to the club all black burgini ? go up kal step out
icy
yall know why the wanna leave with a fella like me?
the money
the moeny
The money
the moeny
what'l make um shake ass in your face take um to the
crib let um sip on a few drinks
shortly after that have um all strip for me
it aint no secret why these chicks wanna fuck with me.
the money
when your girlfriend went up to yo place
the money
its the weather man to tell you that money makes the
girls gone wild

yall know me its sumnai joe
the portorican MC with flyest flow
and i keep askin myself why she love me so
and she keeps sayin not cuz of the dough
but everytime we stop front of the store she gonna act
like busta yo gimmy some mo
now i dont usually pittty a bra
but she was workin with her big ass tittys galore
if that show me that he hit it before
he met her at the strip club back in New York
Now my dumb ass went bought out the store
talkin everything from gucci to christian diore
Now me or ? its either or
you might be material or be my whore
any way you put it imma a even the score
i got 30 just like you waitin to go

Pull up to the club all black burgini
? go up kal step out icy
yall know why the wanna leave with a fella like me?

the money
the moeny
take um to the crib let um sip on a few drinks
shortly after that have um all strip for me
it aint no secret why these chicks wanna fuck with me.
the money
when your girlfriend went up to yo place
the money
its the weather man to tell you that money makes the
girls gone wild

They say money talks
this time ova a flute lupe
i like a chick who can ball ???

theres a start im to lazy to finish it but theres none of
these on the internet so you would be the first and this
was all hand typed by me
