I was in a tunnel
And couldn't see the light
And whenever I'd look up
I couldn't see the sky
Sometimes when I'm standin'
It seems like I done walked for miles
And my heart could be cryin'
Dead in the middle of a smile

But then I climbed the hills
And saw the mountains
I hollered help 'cause I was lost
Then I felt the strong wind
Heard a small voice sayin'

The storm is over
The storm is over now
And I can see the sunshine
Somewhere beyond the clouds
I feel Heaven, yeah
Heaven is over me
Come on and set me free

Now in the midst of my battle
All hope was gone
Downtown in a rushed crowd
And felt all alone
Every now and then
I felt like I would lose my mind
I've been racin' for years
And still no finish line, oh

But then I climbed the hills
And saw the mountains
I hollered help 'cause I was lost
Then I felt the strong wind
And then a small voice sayin'

The storm is over
The storm is over now
And I can see the sunshine
Somewhere beyond the clouds

I can feel Heaven, yeah
Heaven is over me
Come on and set me free

Somehow my beginnin' stepped right in
Then faith became my friend
And now I can depend
On the voices of the wind
When it's sayin'

The storm is over
The storm is over now
And I can see the sunshine
Somewhere beyond the clouds
I can feel Heaven, yeah
Heaven is over me
Won't you come and set me free?
Won't you set me free?

The storm is over
The storm is over now
And I can see the sunshine
Somewhere beyond the clouds
I can feel Heaven, yeah
Heaven is over me
Won't you come and set me free?

Won't you come and set me free
Just like, if that guy can see the light, shinin'
Somewhere beyond the clouds
If that guy can see the light, shinin'
Take it down, down
If that guy can see the light, shinin'
The day is going, world is runnin'
The clouds moving, the sun shinin'
I made it home, I made it home
Prayin' for a pot of gold

The storm is over now
I'm telling you I could see the light
Somewhere beyond the clouds
I can feel Heaven over me
Heaven is over me
Come and set me free
Come and set me free
Won't you come and set me free?
