Yo, I know everybody out there wanna know
What the hell does this mean
I don't know my damn self

Now what the hell does thoia thoing means
It can mean anything you want it to mean
Any thing you say it means that what it is
If you say sex then probably
Some say it mean pushin' the Lex then probably

This one white chick said gettin' real smokey and
feelin' free
This black chick said sippin' Hennessey in V I P
Well well you can say what you want that's what it is
All I know is that the thoia thoing man it's the shit
Afros corn rolls hair weaves you gotta love it
White black brown even Japanese you gotta love it

And you know somebody out there going man
I like da beat, da hook is real tight
But I'm keep it real dogg it puzzles me
No rules in the music industry y'all know
If it feel good and make you move your feet y'all know
And if the bass is bumpin' in your jeep y'all know
Then it's the piper and I'm coming with the heat

Thoia thoing make you wanna club pop
Nake you wanna drop top
Make you get like Beyonce and do the booty hop
Thoia thoing inspired by juice and hypnotic
It's like a virus and the whole world got it

I had her singing
Thoia, thoia, thoia, thoia, thoing, thoing
Thoia, thoia, thoia, thoia, thoing
She had me singing
Thoia, thoia, thoia, thoia, thoing, thoing
Thoia, thoia, thoia, thoia, thoing

See it's Baby and Kelly come relax with us shorty
When we drop it's platinum plus shorty
Whoa you see da rocks with the rays

I mess up your eyes like a blunt of dat hays
Knee high boots right wheel side coop
Custom made seats with the fall back roof

[Incomprehensible] with steeleto shoes
Iced up Jacob watch march Jacob boots
Minis on the jetta boss just to take a trip
G-4 we in da clouds now we making this
The bird landed in Japan hopped in a six
Steering wheel wood grain n these forigne whips

Keisha to India, Stacy to France
And Tonya to Paris, her models the baddest and
We stopped in Jamaica spent a 100 grand
About a 100 model chicks that I flew from Japan

Shorty I love how you drop it the way you get down
And pop it lock it and cock it again and again
You better stop it girl, I see how you wiggle you body

Notice your body girl and watch me step in the spot
You know I got you

Yea your little Gucci cologne be having me puffy
When sneezing baby it's nothing do your thang
I ain't gon' stop you girl, all in your mini skirt really
squirt
You show me some thing baby once I give you what
really hurts
You won't want really wont nuttin'

Looking and watching and seeing the way your jean be
cutting
All up in yo ass, rockin' and switchin' when you be
strutting
(Shake it fast)
I know that you willing and able and ready to
(Take a glass)

Pretending on top of your like a table now
(Make it last)
Performing till the water drip to your navel
(Take it past)
[Incomprehensible]

Stable now shake yo ass to da joint, da joint
Baby go do yo thang and shake yo, dadoinkda dadoink

I had her singing
Thoia, thoia, thoia, thoia, thoin, thoin
Thoia, thoia, thoia, thoia, thoin
She had me singing

Thoia, thoia, thoia, thoia, thoin

We make a lot of noise with
Wake up through the world
All of the ladies in the house
We'll show ya boys and girls

Last call for alcohol now
We're closin' down the bar
Tell me where's the after party at
We rollin' with the R

I had her singing
Thoia, thoia, thoia, thoia, thoin, thoin
Thoia, thoia, thoia, thoia, thoin
She had me singing
