She broke it down right in front of me  
Rollin' on her knees I said, "I'm scared of ya"

Tattoo on her back, lovin' the way she work it  
Body movin' like she's dancin' in the circus  
Back forth up down when jerk it

We're closin' down the bar  
Tell me where's the after party at?  
We rollin' with the R
