ayo drop that shit skee
tip the waiter, girl
tip the waiter

at 12 o'clock i entered the club
at 1215 i'm lookin at her
dancin like its her birthday
like she's on a vaca
and i'm just gonna hang out right here till its clear

visions of her workin a pole
the combination of her ass and patron
makes a nigga wanna make it rain
like i took a taperay
i cant wait till i get you home

up in this champagne room i got you moaning
all because you windin on a really hard something
it's 4 play (i'm a winner)
it's gonna be (like dinner) yes
patience is a virtue
and girl i feels so glad that i

waited all night for you to finish that dance
tipsy off that liquor and its makin me ask would you
tip the waiter (you)
tip the waiter (you)
tip the waiter (you)
tip the waiter
girl i want some gratuity
i don't mean cash
lookin at your body its making me wanna ask would you
tip the waiter (you)
tip the waiter (you)
tip the waiter (you)
tip the waiter

now its like a quarter to 2
and i'm still tryna go home with you
but you got your girls around you
yall sippin on some 100 proof

and i'm just gonna lay back and be cool till ya through

dances got ya dress goin up
and ya at the bar refilling ya cup
and i'm waitin up in this club
hopin you gonna show some love
its 3 o'clock ya still on the floor

up in this champagne room i got you moaning
all because you grindin on a really hard something
it's 4 play (i'm a winner)
it's gonna be (like dinner) yes
patience is a virtue
and girl i feels so glad that i

waited all night for you to finish that dance
tipsy off that liquor and its makin me ask would you
tip the waiter (you)
tip the waiter (you)
tip the waiter (you)
tip the waiter

its 5 oclock, i feel so good they're sayin last call
its 530, and i'm hoping your not ready to go home
it's 6 oclock, i steps to her
630, says i'm the R
hit it in my car and now im so glad that i waited
