Trade in my life  
Oh, for you, oh, yes, oh, yes  
Trade in my life for you  
Yes, oh, yes

Sittin' here wonderin' how did things go wrong  
Every night askin' myself what happened to our happy  
home  
Will I ever see you again? I need to know my friend  
Now the past has gone but tomorrow's on  
Though the sun is goin' down and I need you around  
I'm willin' to trade in my life

Trade in my life for you, for you  
I'm willin' to trade  
Trade in my life for you, for you  
Trade in my life for you

Now I'm sitting here  
Reminisclin' on what we used to share  
And how we used to be such a happy pair, oh, yeah  
I cannot believe we've thrown it all away  
Tell me will I see you again someday?

Now the past is gone away  
But tomorrow's on it's way  
Though the sun is going down  
And I need you around, trade

Trade in my life for you, for you  
I'm trade in my life  
Trade in my life for you, for you  
Trade in my life for you  
Trade in my life for you, yes

We both know that we made a vow  
Said we'd always be together  
And that our love would endure, yes  
But now you're gone and I'm all alone  
But I need you here and I'm willin' to trade it

Trade in my life for you, for you

Trade in my life for you, for you  
Trade in my life for you, for you  
Trade in my life for you, for you

Hey, I mean it from the bottom of my heart  
I'm willing to trade it, yes I'm  
Tell me are you with me? Are you willing to trade it?  
Will you trade it? will you trade it?  
I'm willing to trade

Hey, and I don't even have to think about it twice  
Hey, I'll trade it, somebody help me say I'll trade it  
Until you return to me, I'm gonna stay on my hands and  
knees  
And when I see you I'm gonna stand up  
And reach my hands out to you and trade it, yea I will

Said I love my music and I love my fans  
But I've got to step back  
Look at this thing like it sure enough is  
So I'm gonna trade it

Tell me do you remember when we used to say  
Everything is in their love, tell me?  
What does it profit a man  
To gain the world and lose his soul?

I'm gonna trade it, yes, I'm gonna trade it  
I'm gonna trade my life, I'm gonna trade  
I'm gonna trade my life for you  
I'm gonna trade my life, I'm gonna trade my life  
No matter what the world may say

I'm gonna trade, I'm gonna trade my life  
I'm gonna trade, I'm gonna trade my life  
I'm gonna trade, I'm gonna trade, my life  
I'm gonna trade, I'm gonna trade my life

No matter what the world may say  
I'm gonna trade, I'm gonna trade my life  
I'm gonna trade, I'm gonna trade my life  
No matter what the world may say
