Now I'm dashin' home, doin' 85  
Swervin' lane to lane with fire in my eyes  
I got a million thoughts going through my mind  
I'm thinkin' about what I'ma do  
And who I'm gonna do it to when I get home

How could I have been so blind  
And then I look in my rear view  
I cannot believe this, whoo, whoo, whoo  
Damn, here comes a police man

He drove right up on me and flashed his light  
Then I pulled over without thinkin' twice  
He hopped out the car and walked over to me  
And said license and registration please

I looked up at him and said  
Officer, is there somethin' wrong  
He said, "No, except you were doin' 60 in a 40 mile  
zone"  
Then I said, "Officer let me explain please?"

?You see the truth of the matter is  
Is that I have an emergency"  
He said, "No excuses and no exception"  
He lit his cigarette as he gave me the ticket

Said, "Have a nice day", and walked away  
I said, "Yeah right", and drove away  
Then I turned my radio on  
And did 55 all the way home

I pulled up in the driveway  
Hopped out and slammed the car door  
Then go in through the back  
Bust up in the house and she screamin'

What's all that for then I'm like woman I called this  
house  
And a man picked up my phone  
Then she said, "Calm down, did you forget  
My brother Twan came home"

Oh, and that's all I could say was. oh  
With a stupid look on my face  
Said, "I forgot he came home today"  
And she said, "That's okay?"

?Because honey I understand"  
She said, "You don't have to explain"  
Then I took her by the hand  
I kissed her and then we went to the room

Then I turned some music on  
Apologized one more time  
Then went down and start gettin' it on  
And she started bitin' her lip

Grabbing me and makin' noise  
Now we makin' love and she's my ear whisperin'  
"It's all yours", I said, "I love you"  
And she said, "I love you, too"

Then a tear fell up out my eye  
Then I called her my sunshine  
And then she looked at me  
And said, "Baby go deeper please"

And that's when I start goin' crazy  
Like I was tryin' to give her a baby  
The room feel like its spinnin'  
We keep turnin' and turnin'

As if we were in a whirlwind  
The way our toes are curlin'  
The next thing you know, she starts goin' real wild  
And starts screamin' my name

Then I said, "Baby, we must slow down  
Before I bust a vessel in my brain"  
And she said, "Please no, don't stop"  
And I said, "I caught a cramp"

And she said, "Please keep on goin'"  
I said, "My leg is about to crack"  
Then she cries out  
"Oh my goodness, I'm about to climax"

And I said, ?Cool, climax just let go of my leg?  
She says, "You're the perfect lover"  
I said, "I can't go no further", then I flip back the cover  
Oh my God, a rubber, rubber, rubber, rubber
