Now I'm dashin home  
Doin 85  
Swervin lane to lane  
Wit fire in my eyes  
I got a million thoughts  
Runnin through my mind  
I'm thinkin about what imma do and who I'm gonna do  
it to when I get home  
How could I have been so blind  
And then I look in my rear view  
I cannot believe this  
(Whoo whoo whoo)  
Damn, here comes a police man  
He drove right up on me and flashed his light  
Then I pulled over without thinkin twice  
He hopped out the car and walked over to me  
And said license and registration please  
I looked up at him and said  
Officer, is there somethin wrong  
He said no, except you were were doin 85 in a 60 mile  
zone  
Then I said officer  
Let me explain please  
Ya see the truth of the matter is  
Is that I have an emergency  
He said no excuses  
And no exception  
I said this is some bull...as he gave me the ticket  
Said have a nice day and walked away  
I said yeah right and drove away  
Then I turned my radio on  
And did 70 all the way home  
I pulled up in the driveway  
Hopped out and slammed the car door  
Then go in through the back  
Bust up in the house and she screamin  
Whats all that for  
Then I'm like woman I called this house  
And a man picked up my phone  
Then she said calm down  
Did you forget  
My brother Twan came home

Oh...  
And thats all I could say was oh  
Wit a stupid look on my face Said I forgot he came  
home today  
And she said thats okay  
Because honey I understand  
She said you dont have to explain  
Then I took her by the hand  
I kissed her and then we went to the room  
Then I turned some music on  
Apologized one more time  
Then went down and start gettin it on  
And she started bitin her lip  
Grabbing me and makin noise  
Now we makin love and she's my ear whisperin  
It's all yours  
I said I love you  
And she said I love ya, too  
Then a tear fell up out my eye  
Then I called her my sunshine  
And then she looked at me  
And said baby go deeper please  
And thats when I start goin crazy  
Like I was tryin to give her a baby  
The room feel like its spinnin  
We keep turnin and turnin  
As if we were in a whirlwind  
The way our toes are curlin  
The next thing ya know, she starts goin real wild  
And starts screamin my name  
Then I said baby, we must slow down  
Before I bust a vessel in my brain  
And she said please no dont stop  
And I said I caught a cramp  
And she said please keep on goin  
I said my leg is about to crack  
Then she cries out  
Oh my goodness, I'm about to climax  
And I said cool  
Climax  
Just let go of my leg  
She says you're the perfect lover  
I said I cant go no futher  
Then I flip back the cover  
Oh my God, a rubber...
