Seems like  
The more I climb  
Hill gets steeper  
And the, more I rise  
See I get deeper  
It's like, the more I give  
See, the more is taken  
And the more I'm loved  
The more I'm hated  
Still the, the more I fall (yeah)  
The more I'll get up (yeah)  
And keep on drivin' (yeah)  
Though the road is tough (yeah)  
And I won't stop (yeah)  
Until I get what's mine (yeah)  
But until then (yeah)  
See I'm

[Chorus]  
Tearing down the walls  
And I'm moving the mountains  
Stirring up the sea  
And believing in a change  
Puttin' out the fire  
Enduring through the pain  
They will come  
And I will shout  
"Vic-tor-ry"  
X2

[Verse 2]  
Seems like the more I win  
The more I lose  
The more my mind's made up  
The more I'm confused  
It's like the, more that I search  
The more I get lost  
And just when I get home  
Seems like I fall off  
But the more it rains (yeah)  
The more I'll pray (yeah)  
'Cause I know tomorrow (yeah)

Will be a brighter day (yeah)  
So I won't stop (yeah)  
Till I get what's mine (yeah)  
Until then (yeah)  
I'm

[Chorus]

[Verse 3]

(I believe) When the morning comes I will rise  
(I believe) There's an angel for me in the sky  
(I believe) As long as heaven's right by my side  
I'm

[Chorus x2]
